OUR ~~te~~ACHER ASKED US to write
AN Essay ON what Happiness is.

Boy! WHAT AN Assignment! She
Knows AS well as everybody else does
what happiness is. Why... we've
been creating happiness all ~~year~~ year.

I guess she just doesn't remember
ALL the happy things that have hap-
pened. That's what this book is for.
It's a reminder... A happiness book.
Come to think of it, I guess you could
say that "Happiness is the 1966 President."
See for yourself.

One Leaves the System . . .

DR. ROBERT W. ALLEN
Principal

Dr. R. W. Allen resigned from his position as principal of Woodrow Wilson High School on June 30, 1966, to become superintendent of schools for the Charlottesville Educational Foundation in Charlottesville, Virginia. He served the Portsmouth system for 19 years, coming here in 1947 to take over as principal of Briggs and Green Street schools. After three years he was promoted to assistant principal at Woodrow Wilson, and held this position for eight years. When Mr. R. L. Sweeney retired in 1958, Dr. Allen took over as principal.

... The Other Moves Up!

WALTER T. H. GALLIFORD

Mr. Walter T. H. Galliford has been elevated to the position of principal of Harry Hunt Junior High School for the 1966-67 school year. During his 15 years at Woodrow Wilson Mr. Galliford has served in a variety of capacities. He was a classroom teacher in the History Department from 1951 to 1958. During these same years he was also the varsity track coach, and from 1953 to 1958 he took on additional duties as junior varsity and assistant varsity football coach. When Dr. Allen became principal in 1958, Mr. Galliford was named assistant principal. For the past two years he has also served as Director of Athletics.

Happiness is a diploma

January Class History

It was a cold, snowy day in February, 1962, when the class of 1965½ entered the hallowed halls of Woodrow Wilson High School. This was to be our "home away from home" for the next four years. Bobby Allen, who was the S.C.A. President, greeted us and encouraged us to do our best while we were students here. This first semester of "brainwashing" was not altogether fruitless, however, as we did manage to organize a Freshman class for the first time.

In September we came back as high Freshmen, ready to take part in the activities offered to us. Many of our class members played J.V. Football and led the team to a 7-1 record. Some of our boys played J.V. Basketball. Ginny Lou Morin was our lone representative on the J.V. Cheering squad. We all hurried to join the various clubs and organizations. Yes, we were truly now "Sophomores." That year the student body was led extremely well by Miss Julia Dorsey Reed; and "beauty-wise," Toni Williams was our Homecoming Queen. In May we attended our first Freshman-Sophomore in "Camelot."

In September, 1963, we returned to Wilson, enthusiastically looking forward to becoming "Upper-classmen." This year the student government was headed by Elwood Owens and Annette Jenkins was our Queen. This year we witnessed an "athletic outburst" at Wilson. Our football team, which was in the running for the state title, finished with an impressive 8-1-1 record. The basketball team was also in excellent form and finished with an 18-3 record. We ushered out this year dancing in an "Oriental Paradise."

The year 1964 was our "year of waiting." Yes, this was our last full year at Wilson, but it certainly was not the least. Bob Heely was our S.C.A. President and Avenell Harrington reigned during our Homecoming festivities. The highlight of this year athletically-speaking was certainly our "Romp through Richmond." Yes, after three glorious nights of yelling and jubilation in the Richmond Arena, our cinderella basketball team brought the State title to Wilson for the first time in over 30 years. As prom time rolled around, it was our time to decorate and decorate we did, bringing the "Marde Gras" to Wilson.

In September, we returned as the "elders" of the school. After a summer of surfing and loafing, we returned for our final semester. Tommy Buck was S.C.A. President and the Homecoming Court was ably led by "Our own" Ginny Lou Morin. For the first time we organized as a separate class, choosing John Tarrh our President. As Christmas neared, we did our part to brighten the dark situation in Viet Nam, sending greetings to the American soldiers there. In a flurry of activity, we ordered our calling cards and announcements; paid dues; were fitted for caps and gowns; prepared our play, "Gentlemen Prefer Blondes"; and had Senior Day. Our song, to the tune of "Climb Every Mountain," was most impressive. Then we anxiously awaited our day—graduation day. And with this, we ended our four year career at Wilson. For some of us it marks an end; for some, merely a beginning. But no matter which may be the case, we can all say these have been the four best years of our lives—four years which will remain in our memories long after our homecoming in 1991.

June Class History

Our Freshman year, 1962, was a continually frightening experience for all of us. Unsure of ourselves, at first, we gradually became accustomed to "Big Time" Wilson, and found it could be a lot of fun.

This was the year Julia Dorsey Reed served as President of the S.C.A. Our class president was also a very able young lady, Ginny Lou Morin, and Homecoming was ruled over by a very gracious queen, Toni Williams. Our first final exams in January were a harrowing experience, but we all managed to survive somehow. In the spring, we witnessed the last Baby Day at Wilson, and lamented the fact that this marked the end of a long standing tradition.

In our Sophomore year, we again placed our trust in Ginny Lou Morin by electing her class president. This year, we were much more confident about our respective roles in high school life, and became more active in clubs and other extra-curricular activities. Homecoming festivities were celebrated with the crowning of lovely queen, Annette Jenkins; Elwood Owens served as president of the S.C.A., and Christmas vacation was highlighted by the annual Tri-Hi-Y and Hi-Y Sno Ball. The rest of the school year was mostly taken up with studies, and looking forward to the coming summer months.

Our Junior year proved to be an exciting one. We were led by class president, Janet Blow, and S.C.A. president, Bobby Heely. For the first time, members of our class were represented in the Homecoming court, one as Maid of Honor, and two as attendants. Avenell Harrington was voted Queen, and Paulette Taylor was voted Maid-of-Honor.

This was also the first year that Wilson had Marshals who served as ushers for various school functions. Members of our class were the first to serve in this capacity.

One memorable event of the year was the Dramatic Club production of *Dino*, which starred a member of our class, Joe Mayes.

Basketball turned out to be the highlight of our year. Our team came in second in the district, but won the State Championship. Even though the tournament was held in Richmond, we managed to have a terrific cheering section at every game.

Another highlight for us as a class was that some of our members were inducted into the National Honor Society during a memorable assembly program held in December. We ended the year by proving we really knew how to decorate for a Jr.-Sr. The Prom Committee worked hard, and produced a festive "Mardi-Gras", which was enjoyed by everyone who attended.

We returned to Wilson for our Senior year with mixed emotions. We were looking forward to graduation; but we were hesitant about leaving the place where we had enjoyed so many good times. This year, our class was headed by president Joe Mayes. Tommy Buck, another classmate, served as president of the S.C.A. We celebrated our last Homecoming, which was reigned over by Ginny Lou Morin.

Studies were first on our list, but we really met with a lot of competition in this respect. It just seemed as though the days were not long enough for everything that had to be done. There were Senior portraits to be taken; class dues to be paid; calling cards to be ordered; games and meetings to be attended. Before we knew it, Christmas was around the corner, and that meant bulletin boards and baskets to be fixed.

One activity during the fall of the year that we really enjoyed, and put our whole hearts into was "Operation Christmas Card." Hundreds of messages were sent to our fighting men in Vietnam, which was, for us, a most satisfying experience.

Graduation finally came, and somehow all our efforts and frustrations seemed worth while. We left to take our various places in the world in a style which we feel was befitting any student of Woodrow Wilson High School who is proud to uphold the traditions of his school.

WILSON 32 - CHURCHLAND 14

Before a crowd of 7,500, the Presidents nearly ran the Trickers out of Churchland Stadium with a strong first half that saw them score four times. The final score was 32-14.

In the first quarter, Butch Bisese, on a keeper, faked off left tackle and went wide on a 25-yard touchdown jaunt. Tackle Brad Vaughn recovered a fumble by Churchland's quarterback, Danny James, on the Tricker's 19, and the Presidents needed only two plays to score again, this time on a pass from Bisese to David Mullins. Wilson held a 12-0 lead with the game less than six minutes old.

The Presidents scored on the second play of the next quarter as a result of a good fake by Bisese, followed by a hand-off to Mullins, who went to the weak side, and scrambled 45 yards into the end zone. A 37 yard pass from Walt Tobler to Mullins added another touchdown for the Presidents, who left the field at halftime with a 25-0 lead.

An 85 yard return of the second half kickoff by Dwight Smith put the Trickers on the scoreboard, and they followed up with a drive of 66 yards for another touchdown to cut the Wilson lead to 25-14. The Presidents, however, controlled the fourth quarter, and wiped out all Tricker comeback efforts by scoring on a 77 yard march that ended with Bisese's seven yard pass to Mullins.

WILSON 7 - NEWPORT NEWS 7

For the second time in as many years, the Presidents and the Typhoon of Newport News battled to a stalemate. This time the score was 7-7; last year both teams were unable to convert, and the score was 6-6.

Newport News got on the scoreboard with 47 seconds remaining in the first half when Jimmy Hogan passed 36 yards to Joel Fisher for a touchdown. This gave the Typhoon a 7-0 halftime lead.

Quarterback Butch Bisese raced 36 yards for the touchdown, in the third period, that tied the score. A few minutes after Bisese scored, Dickie Williams sprinted 54 yards for a touchdown, but it was nullified by a clipping penalty.

The Presidents controlled the game, but were unable to push across the clincher. In the closing moments, Wilson worked the ball down to the one yard line, only to have the Typhoon hold on fourth down with less than a minute to play. The game ended with Newport News in their own territory.

Mullins gathers in a pass for a score against the Norview Pilots

WILSON 20 - NORVIEW 8

Unbeaten, but once tied, Wilson downed Norview 20-8, before a drenched crowd of 3,000 at Lawrence Stadium.

David Mullins touched off the scoring with a 58 yard punt return early in the opening quarter, with Butch Bisese running for the extra point, and a 7-0 lead. Late in the quarter the Presidents increased the lead to 13-0 as a result of a pass from Bisese to Mullins. The Pilots struck back after taking the next kickoff. Brosetto, on a pitchout, dashed for a touchdown that made the score 13-6.

Two plays later, the Presidents retaliated with another score. From his own 26, Bisese fired a pass to Luther Blair at the Wilson 45, where the Wilson end eluded defender Mark Mustin, and raced the rest of the way to put Wilson ahead, 20-6.

The Pilots came back strong in the second half, and threatened the Prexie's goal line on three occasions without scoring. They did finally register two points when they tackled Walt Tobler in the end zone after blocking his punt. These were the only points scored by either team in the second half.

WILSON 7 - OSCAR SMITH 20

Wilson journeyed to the lair of an aroused Oscar Smith Tiger, and came away with the first loss of the season. The score was 20-7.

The Tigers scored twice within two minutes in the opening quarter as Leigh Phelps threw 13 yards to Carl Forsen for the first touchdown, and Jim Inman ran 26 yards with an interception of a Bisese pass for the second touchdown. As a result, Smith led 13-0 at halftime.

Bisese scored on a 12 yard keeper early in the third quarter to cut the Tiger margin to six at 13-7. However, the Tigers promptly marched 58 yards, mostly on short gains, to score the insurance touchdown.

It was a frustrating evening for the Presidents, who threatened four times, but scored only once. Clever ball handling and running by Bisese kept them in the game until Smith's third touchdown put the game out of reach.

WILSON 13 - HAMPTON 7

Seven thousand fans sat in on the climax of a successful Homecoming as Wilson downed Hampton by a score of 13-7. The evening also featured the announcement of the prize-winning floats, and the half-time crowning of the Homecoming Queen, Ginny Lou Morin, by Dr. Robert W. Allen.

The big play of the game came in the first half when David Mullins fell in behind guard Herbie Whitley, and broke through the Crabber line to outrun the Crabber secondary. The play covered 50 yards, and proved to be the victory margin. The play was called by Bisese just before a knee injury in the second quarter which was to sideline him for the next three weeks.

Walter Tobler took over at quarterback, and Mullins moved to tailback, from which position he carried 21 times in the second half, and added 70 more yards to the 61 he picked up in first half. Tobler's 40 yards in 11 carries helped control the ball most of the second half.

After Bisese's injury, Coach Gahagan's strategy was, "to just cram the ball down their throats," and with Tobler at the helm, the Presidents did just that most of the second half, much to the enjoyment of the members of the 1939 team who sat on the sideline during the entire game.

WILSON 6 - GREAT BRIDGE 40

The Presidents lost to a powerful Great Bridge team that played a near perfect game to extend their undefeated string to 14 games. A strong Wilson offense just could not get rolling, and the Wildcats came away with an easy 40-6 victory.

Injuries to quarterback Butch Bisese, out as a result from a twisted knee, and to Dickie Williams, who tried to go on an injured knee, proved too big a handicap for the Prexies to overcome.

An aggressive Great Bridge offense and defense proved to be too powerful for the Prexies, and the half-time score was 13-0. Wilson came alive in the fourth quarter, but it was a little too late. The first Wilson threat of the game was a 35 yard pass from Walt Tobler to David Mullins. The Prexies used the same combination to score as Tobler's 12 yard pass found Mullins in the end zone. This was the extent of any offense for the night, and the Presidents absorbed their worst defeat under Coach Gahagan.

WILSON 19 - MAURY 21

Less than 3,000 fans turned out on a cold Friday night to see the Prexies drop a close game to the Commodores, 21-19. David Mullins sprinted 42 yards for the first Wilson touchdown, while quarterback Walt Tobler rolled out nine yards for one President score, and passed 11 yards to halfback Garland Gifford for another. Only one of three extra points was scored, which spelled the difference between a tie and a loss.

The big play of the game for the Prexies was Tobler's pass to end Luther Blair that covered 61 yards. On fourth down from the nine, Tobler rolled left for the first score. In the final seconds of the first half, a Maury threat was halted when Tobler intercepted a pass in the end zone, and ran it back 15 yards.

The game ended in story book fashion for Maury as Dolly Madison gathered in a pass with just 34 seconds left, and scored the winning touchdown.

WILSON 28 — PRINCESS ANNE 20

After sitting out two games with an injury, Butch Bisese returned to action in the President's 28-20 victory over Princess Anne. The Cavaliers were kept off balance by Bisese's rollouts and passes. The first two touchdowns were scored by Bisese from seven and twenty yards out. The second score was highlighted by a 16 yard pass to Luther Blair. Bisese also ran for two extra points, rushed for a total of 114 yards, and intercepted a pass to halt the Cavaliers' final drive with 4:02 left in the game.

Excellent defensive support came from an aggressive line that stopped a Princess Anne threat on the Wilson 11 early in the game. Bisese was joined in the scoring department by Walt Tobler, who tallied twice on short runs, and then dashed for two extra points. The key play in this second straight win over Princess Anne was a pass interception by center Butch Hodges, which set up what proved to be the winning touchdown.

WILSON 12 - GRANBY 23

For the second year in a row, Foreman Field turned out to be a jinx as the Presidents met District Champion Granby. Under the direction of Butch Bisese, the Presidents put up a good fight for most of the game, only to come out on the short end of the score. A scoreless first half for the Prexies left Granby in the lead, 10-0. But Bisese led the Presidents to a touchdown late in the third quarter, and another score, with 5:02 left in the fourth period, gave Wilson a 12-0 lead. At this point the Comets took charge as they first picked up a Tobler fumble, and then a Bisese pass, to give them a 23-12 lead.

In the face of the two breaks that gave Granby the lead, the Prexies did not fold entirely. Bisese directed a drive that saw him scamper 20 yards to the Comet 9. A 15 yard penalty had helped to set up this play. However, time ran out before the Presidents were able to do any more about closing the 11 point spread, and the final score stood at 23-12 in favor of Granby.

WILSON 13 - CRADOCK 6

The Presidents journeyed cross-town to close out their season against the Admirals, and came back with a well-earned 13-6 victory. This could well be called the evening of the Butch's, as Bisese stood out again with his running and passing, and Hodges was outstanding on defense. Bisese did a masterful job of mixing his plays, which included 15 and 22 yard passes to halfback David Mullins in the first half.

In the second period a Wilson punt touched an Admiral as it rolled at the 20 yard line, giving the Presidents possession when Butch Hodges recovered. From this point, Bisese rolled out for the first score. The second touchdown was a result of a pass from Bisese to end Luther Blair.

Bisese's 18 plays, all but one on the ground, used up the third quarter in moving the Presidents to the Admiral 10. This drive was stalled when a pass intended for Mullins was intercepted by Cradock's Howell in the end zone. However, a tight Wilson defense held the Admirals in check the rest of the way.

Cradock scored in the final minute of the game as Tommy Dail picked off a Bisese pass, and ran it into the end zone.
